

Back in My Arms Again

Alvin Lee

I want to wrap you in my arms again
I want to feel your many charms again
I want to wrap you in my arms again, I want to hold you real close
I want to kiss you on the lips again
I want to hold you on your hips again
I want to wrap you up baby, and take you home with me

I want to take a taste of your sweet touch
I want to tell you that I love you so much
I want to take a taste of your sweet touch, I want to hold you so tight
I want to love you til the morning breaks
I want to give you everything that it takes
I want to love you tonight, please take me home with you

Out on the road, town after town
Some little honey might get me down
But that ain't love like I give to you, nobody can love me like you do
I want to kiss you on the lips again
I want to hold you on your hips again
I want to wrap you up baby, and take you home with me

I need your love, I need it so bad
Best lover I've ever had
I ain't romantic, I can't say it right
Just want you to love me tonight
I want to love you til the morning breaks
I want to give you everything that it takes
I want to wrap you up baby, and take you home with me
Home with me, home with me,
Home with me, home with me.
