

Keep On Rockin'

Alvin Lee

Still I like to play, good old rock 'n roll
Keeps me young and it keeps me old
Keep on rockin' - keep on rockin'
Never gonna stop - rockin' til I drop,
Keep on rockin'

If you ever get lonely and you're feeling down
Well, the good old rock n' roll is gonna turn you right around
Keep on rockin' - keep on rockin'
Never gonna stop - rockin' til I drop,
Keep on rockin'

Never mind the blues, never mind the soul
All I wanna hear is that good old rock n' roll
Keep on rockin' - keep on rockin'
Never gonna stop - rockin' til I drop,
Keep on rockin'

Keep on rockin', keep on rockin'
Keep on rockin', keep on rockin'
Never gonna stop, baby rockin' til I drop - keep on rockin' now

Yeah, if you ever get lonely and you're feelin' down
Well, the good old rock n' roll is gonna turn you right around
Keep on rockin' - keep on rockin'
Never gonna stop - baby rockin' til I drop, oh yeah
Rock and roll !

Keep on rockin', keep on rockin'
Keep on rockin' me baby, keep on rockin' me baby
Never gonna stop - rockin' til I drop, oh yeah.
