Let's Get Back

Alvin Lee

(Gotta loosen up, gotta loosen up !)

Let's get back, together again - let's get back, together again It's been a long time, since I went away - but now is the time Let's get back, together again - Let's get back....together ag ain ! Get back, get back - Get back, get back - Get back, get back

Let's get back, together again - let's get back, together again I want a little freedom, but you can see - that you were the fr eedom Let's get back, together again - Let's get back, together again Get back, get back - Get back, get back

Let's get back, together again - let's get back, together again I want a little freedom, but you can see - that you was the fre edom Let's get back, together again - Let's get back, together again Get back, get back - Get back, get back

Let's Get Back !
