

Money Honey

Alvin Lee

You know, the landlord was ringing my front door bell
I let it ring for a long, long spell
I went to the window
I peeped through the blind
And asked him to tell me what was on his mind
He said

Money, honey, a-huh-huh
Money, honey
Money, honey, if you wanna get along with me

Well, I screamed and I hollered
I was so hard-pressed
I called the woman that I loved the best
I finally got my baby 'bout half past three
She said I'd like to know whatcha want with me
I said

Money, honey, a-huh-huh
Money, honey
Money, honey, if you wanna get along with me

Well, I said "Tell me baby, what's wrong with you?
From this day on our romance is through?"
I said "Tell me baby, face to face
How could another man take my place?"
She said

Money, honey, a-huh-huh
Money, honey
Money, honey, if you wanna get along with me

Well, I've learned my lesson and now I know
The sun may shine and the winds may blow
The women may come and the women may go
But before I say "I love you so"
I want

Money, honey, a-huh-huh
Money, honey
Money, honey, if you wanna get along with me
