

## Motel Blues

Alvin Lee

Spent my life on the road  
But it must be near the end  
There's nowhere left to go  
'Cept 'round another bend  
There's nothin' left to do  
There's nowhere left to go  
And it's just another day  
And it's just another show  
Spent my life out on the road  
Must be near the end

Spoils don't seem so great  
[???)  
And I don't wanna die  
In some downtown motel

It's just another day  
And it's just another show  
I don't wanna go

Spent my life on the road  
But it must be near the end  
There's nowhere left to go  
'Cept 'round another bend  
There's nothin' left to do  
There's nowhere left to go  
And it's just another day  
And it's just another show  
Spent my life out on the road  
Must be near the end
