

Remember Me

Alvin Lee

Now you might think I'm crazy, 'cause of all the things I do
I'd rob steal kill somebody, just to get back home to you
I'll climb the highest mountain, swim the deepest sea
Do anything you want me to, if you'll remember me

Remember me when I'm dead and gone, remember me
Remember me when I'm dead and gone, remememember

Now if you need some loving, before I am deceased
Well I don't own this body Babe, it's only out on lease
So don't wait until tomorrow, let's do it while we can
And I will be forever, your ever loving man

Remember me when I'm dead and gone, remember me
Remember me when I'm dead and gone, remememember

Hey Babe can't you tell me, what's a man to do
I'd climb the highest mountain, just to prove that I love you
Swim shark infested waters, I'd cross the deepest sea
Do anything you want me to, if you'll remember me

Remember me when I'm dead and gone, remember me
Remember me when I'm dead and gone, remememember

Well I can't reach you Babe, 'cause you don't notice me
I'll do anything that you want me to, I'll even set you free
Now life don't come too easy, so live it while you may
If they ask you about the future, just turn around and say

Remember me when I'm dead and gone, remember me
Remember me when I'm dead and gone, remememember
