

# Ride My Train

Alvin Lee

I don't ride, if you won't ride with me  
I don't ride, if I can't ride for free  
I don't care, if you don't understand  
Want your lovin' but - I don't need your hand

(If he don't understand, I want your lovin' but I don't need your hand)

(Ride my train to the promised land, I need your lovin' but I don't need your hand)

Take my body, all you want for free  
Ain't the way I - live my life to me  
I don't care, if you don't understand  
Want your lovin' but - I don't need your hand

(If he don't understand, I want your lovin' but I don't need your hand)

(Ride my train to the promised land, I want your lovin' but I don't need your hand)

I don't ride, if I can't ride for free  
I don't ride, if you don't ride with me  
I don't care, if you don't understand

I want your lovin' but - I don't need your hand

(If he don't understand, I want your lovin' but I don't need your hand)

(Ride my train to the promised land, I need your lovin' but I don't need your hand)

(Ride my train to the promised land, I need your lovin' but I don't need your hand)

(Ride my train to the promised land, I need your lovin' but I don't need your hand)

Well I don't give nothing, I don't give a damn  
If you wanna run see another man  
I don't care nothing, I am what I am  
It doesn't bother me if you don't understand

Won't you - please, ride my train  
Don't say no to me - don't try to tease my brain  
Won't you - please, ride my train  
If you want me to ride again
