

Ain't the Same

Amanda Perez

I can feel it when I'm leavin'
My heart feels like it wants
To stop beatin', someone call 911, 'cause I'm
Hurtin' inside, from givin' up, yeah
Tried to make me feel like I wasn't good enough, no
Right now, I feel like just givin' up, yeah-yeah
And I don't want no fake kisses, I don't want no fake eyes
Please don't give me fake love
I don't think that this is something that we can make up

'Cause I can't take it back to the good times, no
I don't really feel like you're really mine
I'ma tell the truth 'cause I don't do lies, I
Never meant to make you cry, never meant to waste my time
I hate the way that things had to be with you
I always thought you were the one for me
But you changed up the game
Whoa-oh
Now things, they ain't the same
No-oh

Not just to me you did things behind my back
Includin' tellin' hella lies to all my friends
Yeah, tell me, did you love me then?
Or was that shit that you were sayin' just pretend?
Oh-whoa
I gave you my heart
I gave you my soul
And you let me down

I can't take it back to the good times, no

I don't really feel like you're really mine
I'ma tell the truth 'cause I don't do lies, I
Never meant to make you cry, never meant to waste my time
I hate the way that things had to be with you
I always thought you were the one for me
But you changed up the game
Whoa-oh
Now things, they ain't the same
No-oh

See I ain't the same, you
Did all these things just to change me
Did what you did, now you blamed me
You know this fightin', it ain't me, no
Oh-whoa
Love don't live here anymore
I'm lettin' you go, oh

'Cause I can't take it back to the good times, no
I don't really feel like you're really mine
I'ma tell the truth 'cause I don't do lies, I
Never meant to make you cry, never meant to waste my time
I hate the way that things had to be with you
I always thought you were the one for me
But you changed up the game

(Changed up the game, changed up the game)
Whoa-oh
Now things, they ain't the same
(Now things ain't the same)
And you let me down
