Did It For Love

Amanda Perez

You gon' really miss me when I'm gone
You gon' feel the most hurt when you are all alone
You gon' think about all the things I've done
You gon' feel what it's like to really love, yeah
'Cause I sacrifice, I shed my light
Gave you every single minute of my fucking time
Shoulda stayed on my grind
But I had you on my mind, oh

But I did it for love
But I'm never enough
So I'm givin' up
There is no more trust
You know what you've done
Started fights just because
When I did it for love
Yeah, yeah yeah

And I swear love ain't like it used to be
It's hard as shit, ain't nothin' new to me
And it's all my fault, all the things that you do to me
It's all my fault I let you get used to me, oh
Well so many times, swallowed my pride
I held these tears, fallin' from my eyes
And I felt alone, maybe you're better off on your own, oh

Well I did it for love
But I'm never enough
So I'm givin' up
There is no more trust
You know what you've done
Started fights just because
When I did it for love

I did it for love, I did it for us
But you made it hard to even trust
Tell me what happened to us, yeah
'Cause I felt like you don't deserve me
Try to test me on the daily where my worth be
Sayin' so many things just to hurt me
Didn't think that I would notice all that flirting

Well I did it for love
But I'm never enough
So I'm givin' up
There is no more trust
You know what you've done
Started fights just because
When I did it for love

I did it for love
I did it for love
Yeah, yeah yeah
