I can make you feel real good Real good Hello! Yes, this is me Tell me all the things you would like to see All the things you never felt Take off your shirt loosen your belt Oh, tell me can you feel it Keep touching on your face Kissing on your neck I'll be that Gemini, to give you what you like I'm on my way lets go for a ride I can make you feel good I can make you feel I can make you feel real good I can make you feel real good Let me lick your neck Let me bite your lip All over your chest is where I wanna kiss Don't be afraid, let it all go Turn off the lights and take off your clothes Close the door and just relax I've got a plan and that's a fact I'll fulfill all your fantasies I'm that one in everyone's dreams The dream where you wake up soaking wet Where you find yourself with me in the bed Pull my hair touch on my back Ready for love, it's where I'm at I can make you feel good I can make you feel I can make you feel real good I can make you feel real good Let me lick your neck Let me bite your lip All over your chest is where I wanna kiss Don't be afraid, let it all go Turn off the lights and take off your clothes He call me up on the telephone When he feeling nasty Ain't no tryin' boi You already know you can have me Cuz I know it's so happy You wanna touch and grab me Now he in the room acting like a jack (rabbit) I told ya boi I ain't da average I told ya boi

Now he on the telephone sending me a text Tell me how much he love me and miss my sex

I got dem poison lips

I told ya boi
I'mma bring you back
He like it that I do it slow den I do it fast
Just chill out boi
And breathe easy
I'mma make you feel good

I can make you feel good
I can make you feel
I can make you feel real good
I can make you feel real good
Let me lick your neck
Let me bite your lip
All over your chest is where I wanna kiss
Don't be afraid, let it all go
Turn off the lights and take off your clothes
