

# Whoa

Amanda Perez

whoa [13x's]

This nigga must be crazy,  
think he could get up on A.P.  
like that uh uh check it out

[verse 1:]

This be the day that i never forget driving in my bentley  
sipping on my way bangs in the trunk and i heard my  
my chest blinged all out and its all on my neck  
I went to the crib about 2:00 forgot my keys so i had to knock  
noone came to the front so i went to the back checked out the shit  
that just happened i caught my man in the pool with a girl nice  
skinny chick with Sherley Temple curls she got it in easy she tried to  
cap \*\*\*\* and i told the little girl to keep ur hand on these

[chorus:]

cause these shit it aint no joke  
and if you get a \* the gone fill your throat  
i could care less if you joked  
gotta handle this here and thats for sure  
uh whoa(gotta handle this) whoa(this some scandle shit)  
whoa(whats a girl to do when she finds a man but nicked in the pool)  
whoa thanks for gettin away is you crazy you know that i dont play  
whoa you can keep it cause on the real i dont need it

[verse 2:]

See you tryin to be a playboy  
but got caught up in the game now you noy  
matter fact you could go upstairs and you could pack  
try to love you but you dont know how to act try  
to hit me from the front and not from the back  
picking up chicks in my bens in my trunk  
this the cadillac this aint the way that it goes  
cause i sure aint your trick and i aint you hoe  
so things dont last forever so you gots to go  
jump in your ride put the medal to the floor  
dont leave nothing behind take all your clothes  
take the bloody towel you used for your bloody nose  
this right here the case is close if you didnt know then boy now you  
know you up for a biz so now your sold uh uh uh uh uh

[repeat chorus:]

[verse 3:]

better not make an excuse to come to the crib  
dont try to beg for a home cause you aint got no where to live  
sorry little daddy thats the way that it is and right now i gotta handle my  
biz  
cause you the type of man that i gotta shut down cause you the type of man t  
hat  
i dont  
need around i caught you creeping  
for all this time it was you that was peeping on all your late night calls  
breaking my laws sliding off panties and unsnapping brows  
dont blame it on me you did it just because dont try to say you didnt like t  
he

way that

i was you so fake pleading with me that it was a mistake boy you was in a dream

but

now your awake tell your girl friend to come pick up her snakes so

i can go to sun set boulevard and get me a drink, find a true man faster than

you can

blink what made you think that your shit didnt stink you think that you silk

but I'm smoother than mink

[repeat chorus 2x's]
