

# Bad Behavior

Amanda Shires

Okay, can we talk about me and you?  
I don't know that I want ya, but maybe I do  
Maybe it's my nature  
Maybe I like strangers  
So what if I do?  
The ways I get ahead of myself I know I do  
And maybe none of this is true

[Chorus]

Call it bad behavior  
Maybe I like strangers  
So what if I do?

Maybe I only think about you  
Maybe I only think about you when I do

[Chorus]

Call it bad behavior  
Maybe I like strangers  
So what if I do?  
Call it bad behavior  
Maybe I like strangers  
Maybe it's my nature  
Maybe I like strangers  
So what if I do?  
Maybe it's you
