Ashes

Ambeon

Into the heat Swallowed into that hole Melted down

Burned to ashes And the ashes flew In the wind Taken by breath As I breathe on

Shadows in my head When I'm too high to think Give me my view

Ease my whirlwind You thought so These aren't your concerns They're ours This is not what we wanted in the first place But it's ok After all It's been called The fate of a dreamer

Loved by only you It is all I allow It has been called The fate of a dreamer
