

Push It To The Limit

Amber

Push It To The Limit
Walk along the razors edge
Don't Look down, just keep your head or you'll be finished

Open up the limit
Pass The Point of no return
Reached the top but still you've got to learn how to keep it

Hit the wheel and double the stakes
Throttle wide open like a bat out of hell
You crash the gate's
(crash the Gate's)

Going for the back of beyond
Nothing going to stop you, there's nothing that strong
So close now your nearly at the break
So push it
Ooh yeah

Welcome to the limit(Limit)
Take 'em baby one step more
Power games still playing
So you better win it

Push it to the limit
No one left to stand in your way
You might get careless but you'll never be safe
Why it's the limit

Welcome to the limit(limit)
Standin' on the razors edge
Don't Look down, just keep your head or you'll be finished

Welcome to the limit
Push it to the limit
The limit
The limit
The limit
The limit

Push it to the limit
The limit
The limit
The limit
The limit
