And...Somewhere I've Never Travelled

Ambrosia

Somewhere I've never traveled That's where I've been today Somewhere beyond all reason But it became the only way I could find it Something inside of me I can find it Someplace I've always dreamed of That's what I finally see And when I'm there I feel love So there I always want to be I believe it Believe in myself I have seen it And there's a day when you'll wake With the sun in your eyes Hearing a voice that is calling Within you to rise Rise Someday I'll be there Though I know not Where I go There I'll be When I go Somewhere I'd never traveled That's where it all began And as my dreams unravel I long to go that way again I am waiting Waiting to take you there No more waiting Off you go
