Travel to seaside Michigan
Walk on the water with a friend
On a blue wave

I've been a real bad family man
Suckin' wine like Indians
On a mountain

But I'm gonna try
I'm gonna pave the way at night
Singin' the gospel in my mind
Walkin' on
Blue waves
Blue waves
Radiate and dry
All my life

Make me real life hurricane
Follow a straight line to brave
On a good day

You've been a teenage runaway
Carry the people that you hate
In a suitcase

Well I'm gonna try
I'm gonna pave the way at night
Nothin' but gospel in my mind
Walkin' on
Blue waves
Blue waves
Radiate and dry
All my life
