

## Betting Man

American Aquarium

Well I drank myself to sleep again  
Drank myself to sleep again last night  
And I woke up in a stranger's arms  
I woke up with a stranger's arms holdin' me tight  
I thought of you and me  
And what it is we used to be

And if I was a betting man  
I'd throw everything I had on you  
But I ain't a betting man  
God only knows I'm a betting man

You were running through my mind like a steamboat  
On a Mississippi riverbed  
You were running through my mind like a steamboat  
On a Mississippi riverbed

Those words you said, they cut me deep like a lock blade knife  
They cut me to the bone  
You can only cut a man so deep  
'Fore he's gonna wash his hands  
I wash my hands of you and me  
And what it is we used to be

And if I was a betting man  
I'd throw everything I had on you  
But I ain't a betting man  
God only knows I'm a betting man

You were running through my mind like a steamboat  
On a Mississippi riverbed  
You were running through my mind like a steamboat  
On a Mississippi riverbed
