

# Leave Me Alone

American Head Charge

You  
Always get exactly what you want  
You  
This is only my life that you taunt  
Always giving me enough to keep me quiet  
Only giving me enough to keep me at bay

Why don't you leave me alone?

I don't need you

This

Is the very thing that I disgust  
Promise me again  
And I hope your jaw fucking rusts  
I did what you wanted didn't I?  
So, shut up Shut up Shut up Shut up

Why don't you leave me alone?  
Always on the verge of something  
Almost about to leave it all  
I don't need you

Open your blessed wings  
And wrap them around all your things  
Keep yourself in the company of kings  
Cause it's their hands' that bleed from the strings
