

All I Need

Amerie

In my heart, you're all I need
You are all I need
Need....need...need...need...need

I feel like you're the only one (Need)
I feel what pain it kept me from (Need)
I feel so different from the way I used to be (Need)
Soul searchin' always my excuse (Need)
Didn't wanna face love, didn't know the truth (Need)
So clear to me now, babe (You are all I need)
'Cuz in my heart

In my heart you're all I need
(You're all I need, you're all I need)
You are all I need

You're all that I (Need...Need...Need)
I've never...never felt like this

I feel like you're the only one (Need)
I feel this loneliness undone (Need)
And I just can't see myself without me in your arms
(In your arms) (Need)
If I had one last sunset to see (See)
One day, one last deep breath to breathe
No tears would fall knowing that you're (You are all I need)
All I need

In my heart you're all I need
(You're all I need, you're all I need)
You are all I need

You're everything I need
I never thought...Never thought I'd feel like I do

Need...Need...(Let it ride) Need...Need
Need...Need...Need...Need

In my heart you're all I need
(You're all I need, you're all I need)
You are all I need

Everything I need
What you've given me, all I need
Stay right here with me
