

The Flowers

Amerie

Now it's just a memory,
And it's hard to think (hard to think about it)
Bout the love I left behind
I can't help but think (what could I have done about it)
But deep inside I know it's your fault that I'm not there
Once you put aside your pride, I know that you saw it so clearly
That your nearly losing your mind
Tryna rewind
Do what you did and didn't do
So I'm telling you...
You should have did so much more to show you loved me

I'm wishing
I wish you would have gave me The Flowers (when I could smell them)
And I'm wishing
I wish you would have held me for hours (when I was around)
Now there's nothing you can do...
But to wish I was with you...
But it's too little too late, to late to late
Press rewind (to go back in time)
So there's nothing you can do...
Cause I'm no longer missing you...
You should have gave me The Flowers (when I could smell them)
Cause now I'm gone

And baby it's so hard to believe ya when you say that you promise your be better
Cause everything your saying right now, you can saying forever
You should of showed you loved me, You should have spent more time
You should have been the answers to the questions in my mind
But your here ain't going no where you'll never let me go
(you'll never let me go)
Cause baby, I could'nt feel your love was real, you took for granted what we had
So I'm telling you...
You should of did so much more to show you loved me

I'm wishing
I wish you would have gave me The Flowers (when I could smell them)
And I'm wishing
I wish you would have held me for hours (when I was around)
Now there's nothing you can do...
But to wish I was with you...
But it's too little too late, to late to late
Press rewind (to go back in time)
So there's nothing you can do...
Cause I'm no longer missing you...
You should have gave me The Flowers (when I could smell them)
Cause now I'm gone

And it hurts so much inside for me to let you go (let you go yea)
But it hurts me so much more to stay with you and I know that
You can explain how much you changed
But it remains the same
It's just to late for us... (it's just to late for us)
There's no way to get back
All the love that we had...

But I still can't help but wish that...

I'm wishing
I wish you would have gave me The Flowers (when I could smell them)
And I'm wishing
I wish you would have held me for hours (when I was around)
Now there's nothing you can do (and there's nothing you can do about it)
But to wish I was with you (but to think about it)
But it's too little too late, to late to late
Press rewind (to go back in time)
So there's nothing you can do... (No)
Cause I'm no longer missing you...
You should have gave me The Flowers (when I could smell them)
(Hey Hey Hey Hey)

I'm wishing
I wish you would have gave me The Flowers (when I could smell them)
And I'm wishing
I wish you would have held me for hours (when I was around)
Now there's nothing you can do... (Nothing You Can Do)
But to wish I was with you... (But To Wish I Was With You)
But it's too little too late, to late to late
Press rewind (to go back in time) (Said It's To Late)
So there's nothing you can do...
Cause I'm no longer missing you...
You should have gave me The Flowers (when I could smell them)
MhmmmmmmnnOhhhh
Cause Now I'm Gone!
