

I Would Cry

Amy Dalley

(intro music)

Here I am, an' there you are,
Tangled up with her,
In our bed, in our bedroom.
I loved you with everything inside of me:
Wasn't that enough, enough for you?
Now there's nothing I can do.

If I could pull you back,
From where you've been, I would,
But you've left me no reason left to fight.
You've crossed a line,
You can't uncross.
You've made a choice and now there's no way,
To ever make it right.
If my tears had any power,
I would cry;
I would cry.

I don't wanna know her name,
Or that it happened only once.
Don't wanna hear your excuse.
Did you think about our home, our lives, an' all we had?
Or did you just forget you had so much to lose?
No, there's nothing you can do.

If I could pull you back,
From where you've been, I would,
But you've left me no reason left to fight.
You've crossed a line,
You can't uncross.
You've made a choice and now there's no way,
To ever make it right.
If my tears had any power,
I would cry;
Oh, I would cry.

Instrumental Break.

You've crossed a line,
You can't uncross.
You've made a choice and now there's no way,
To ever make it right.
If my tears had any power,
I would cry;
I would cry;
I would cry;
I would cry.

To Fade.
