

# Now And For Always

Amy Pearson

Knew you were out there just have to hold on  
I nearly gave up on loving my faith was almost gone  
But still I trust it, and I believe that you walked in my life  
And you are here with me

Now and for always I give you all of me  
Baby your loving is all I'll ever need  
And I've lost completely in a feeling that you're giving me  
Now and for always

So long I was lonely but those days are gone  
Too many nights over myself until you came along  
We've had all ups and downs but in our eyes  
There's just so many reasons what we sure can try

Now and for always I give you all of me  
Baby your loving is all I'll ever need  
And I'm lost completely in a feeling that you're giving me  
Now and for always

You're everything I've been searching for all of my life  
Nothing compares to the way that I'm feeling inside

Now and for always I give you all of me  
Baby your loving is all I'll ever need  
Cause you give my life for new meaning  
Lost completely in a feeling  
Nothing better than just being with you  
Now and for always
