Hey Brother
it's hard to be close
Hey Brother
it's hard to be close
Taught to dodge
and stay shut up

Hey Brother
it's hard to be touched
Hey Brother
it's hard to be touched
Taught to hide
and dress alone

If we are birds of a feather why can't we migrate?

If we are birds of a feather why can't we fly in formation or just be friends on the way?

Hey Brother
Why can't we call?
Hey brother
I need love to grow
Why can't we show
ourselves at all?

Cause if we are birds of a feather why can't we migrate?

If we are birds of a feather why can't we fly in formation or just be friends on the way?
