

# Here In The Woods

An Pierlé

Here in the woods  
Spirits can fly  
Deep in the forest  
It stares and it's my  
Desire to scream

Oh talking is hard  
Things to believe  
Spirits are hunting  
My thoughts from my greed  
Desire to scream

Try me baby  
Don't you believe  
My love for you  
I'll keep you warm  
In coats and in bed  
I'll make your dreams come true

Oh oh oh here in the woods  
Everything seems  
Easy to solve and  
Easy to see  
'Cause distance makes much clearer

Oh things we don't know  
Or we just want to  
Play hard to get  
it's a negative fact  
We sometimes seem such fools

Try me baby  
Won't you receive  
My love for you  
And I'll keep you warm  
In coats and in bed  
I'll make your dreams come true

Oh oh oh here in the woods  
Sunshine through trees  
Wind blows my thoughts  
If you know what I mean  
And all things seem distant dreams  
Desire to  
Belong to you  
Desire to scream
