

Fred Shitbreath

Anal Cunt

Fred Fred Fred Fred Fred Fred Shitbreath (4x)

Even Paula Parsons wouldn't kiss you

Your breath is worse than GG's ass

I almost puked while you told me about a TV

I wanted to get out of there really fast

His name is Fred and he looks divorced

He's a loser that works at Ann & Hope

Only Tom Pascual rivals his shitty breath

I wish he'd drink a gallon of Scope
