

I'm Gonna Give You AIDS

Anal Cunt

You're only useful when you're sucking my dick

The mere sight of you makes me f**king sick

You're a stupid groupie following me from state to state

Like I said before you're only good to give me a blow

R:

I'm gonna give you A.I.D.S. (8x)

R:

I'm so glad, I'm so glad, I'm so glad, I've got f**king

A.I.D.S. (2x)

I'll let you let me f**k you in your f**king ass

I'll give you A.I.D.S. while I shove it in your ass

I'll f**k you over and over again in the ass

And then I'll f**k you in your f**king ass

R:

I'll give you A.I.D.S., I'll let you swallow my cum

Because I'm a total f**king scum

I'm a loser and I've got no class

So I'm gonna f**k you in your f**king ass
