Anal Cunt

He didn't want to pay for that brat
so he shot that fucking kid up with a.I.d.s.
that retard thought no one would find out
but everyone knew he worked at a hospital
now he's getting shot up with a.I.d.s.
by a 12" black syringe in prison
everyone's upset that he did it
I think it's funny, to bad he didn't get away with it

a.I.d.s.
