

Yay! It's Pink!

Anal Cunt

My wife brought home this groupie slut one night
She was pretty hot, a sexy, slutty sight
We wanted a threesome with this stupid cunt
My wife licked my ass while the groupie sucked my front

R:

"YAY! It's pink!" when she saw my cock
"YAY! It's pink!" she was used to niggers' cocks
"YAY! It's pink!" a stupid little cunt
"YAY! It's pink!" ...and she was born in the f**king
90's

A rockstar groupie blowing me in my bed
She screamed, "Anal Cunt!" so I kicked her in the head
When she started to cry I slammed my fist in her ass
I was turned on by her tears so I came really fast

R:

Gave most to my wife then gave the dumb slut a taste
But she was so annoying so I punched her in face
Looking pretty hot covered in with blood and my cum
Only 17, and so f**king dumb

R:

The very next day we wanted her gone
She thought that we liked her; she was totally wrong
Her nigger came to get her so she started to pout
I yelled "Get your shit, and get the f**k OUT!"
