

## You're In A Coma

**Anal Cunt**

you're a f\*\*king vegetable, we tried to pull the plug

but you still wouldn't die, you're a dumb stupid fag

you shit in a bag, you piss in a tube, you can't walk, you can't move

you're in a coma (4x)

i tried to give you a hotfoot, but you didn't notice

you're gay and you're in a coma, you're a fruit and a vegetable

...

[repeat pre chorus and chorus]
