

Eighteen, crazy
pulled up in your daddy's car
you wanna move in with me
guess we're off to a heavy start

Should've seen this coming from a mile away
eighteen, crazy
I know what you want from me
I know what you want from me

So if you wanna piss off your parents
date me to scare them
show them you're all grown up
If long hair and tattoos are what attract you
baby then you're in luck
and I know it's just a phase
you're not in love with me
you wanna piss off your parents, baby
piss off your parents
that's alright with me

You know I'm broke
so you pulled out your daddy's card
I drink, I smoke
you ate it up from the very start

Should've seen this coming from a mile away
I'll play your game
I know what you want from me
I know what you want from me

So if you wanna piss off your parents
date me to scare them
show them you're all grown up
If long hair and tattoos are what attract you
baby then you're in luck
and I know it's just a phase
you're not in love with me
you wanna piss off your parents, baby
piss off your parents
that's alright with me

I know what you want from me

So if you wanna piss off your parents
date me to scare them
show them you're all grown up
If long hair and tattoos are what attract you
baby then you're in luck
and I know it's just a phase
you're not in love with me
and I know it's just a phase
you're not in love with me

You wanna piss off your parents, baby
piss off your parents
that's alright

You wanna piss off your parents, baby
piss off your parents
that's alright with me
