

Can't Help It

Anarbor

I never wanted it to be this way,
I thought I loved her.
And it's hard for me to say,
But I found another.
And you're probably thinking this would last forever.
If I could take back time and change my mind,
It would end up differently.

She's so bad for me,
And I can't help it.
It's so hard to see,
A way around it.
Searching her car,
And nothing at all.
Inch by inch,
I got my back to the wall.
Cause she's so bad for me,
And I can't help it.

I can't help it
I can't help it

And I know it didn't take much time,
For me to move on.
Endless fights and restless nights,
But the days felt so long.
And I might've thought that we could last forever.
But I'm just fine and took my time,
And things fit perfectly.

She's so bad for me,
And I can't help it.
It's so hard to see,
A way around it.
Searching her car,
And nothing at all.
Inch by inch,
I got my back to the wall.
Cause she's so bad for me,
And I can't help it.

I can't help it
I can't help it

Guess you probably never saw this coming.
It's too late I'm sorry darling.
I'm moving on to better things.
You're a distant memory now, yeah.
She's so bad for me,
And I can't help it.
It's so hard to see,
A way around it.

She's so bad for me,
And I can't help it.
It's so hard to see,
A way around it.

Searching her car,
And nothing at all.
Inch by inch,
I got my back to the wall.
Cause she's so bad for me,
And I can't help it.

I can't help it
I can't help it
