

Hey Josie, you never say sorry.
Did I do, something to upset you?
You know that I tried to keep it simple.
So persistent I'm making things so difficult.

You keep trying to play me.
Making me feel so crazy, now, now.
But every time I see you,
You say you wanna date me.
Why you always changing, now, now.
You're talking through your teeth to me.

You said things you won't mean tomorrow.
And you're chasing a path you wouldn't follow.
You don't have to try to keep it simple.
Every word that you say, is just so typical.

You keep trying to play me.
Making me feel so crazy, now, now.
But every time I see you,
You say you wanna date me.
Why you always changing, now, now.
You're talking through your teeth to me.

It's the same old thing,
Lie every single day.
You tell me that you're trying,
But I know that you're lying.
Cause every time I see you,
You're talking through your teeth to me.
Hey Josie, you never say sorry.

You keep trying to play me.
Making me feel so crazy, now, now.
But every time I see you,
You say you wanna date me.
Why you always changing, now, now.
You're talking through your teeth to me.

It's the same old thing,
Lie every single day.
You tell me that you're trying,
But I know that you're lying.
Cause every time I see you,
You're talking through your teeth to me.
