

Paint This Town

Anarbor

I know what I'm looking for,
And it takes some time to know for sure.
We fight just to keep it alive,
And I'm not mad, if you're not mad.

Give this one more try,
Everything will fall in line.
We can paint this town.
If you seeing what I see,
There will be no disbelief.
We're gunna paint this town.

You know it's been so clear to me,
And it's obvious you've taken a piece.
So tell me why are you holding back?
If you're not mad, and I'm not mad.

Cause you know I can be the crazy one to.
Can't do the things you see that I need you.

Give this one more try,
Everything will fall in line.
We can paint this town.
If you seeing what I see,
There will be no disbelief.
We're gunna paint this town.

Paint this town. You and I
We're gunna paint this town.
Paint this town. You and I
We're gunna paint this town.
Paint this town. You and I
We're gunna paint this town.
Paint this town.

Give this one more try,
Everything will fall in line.
We can paint this town.
If you seeing what I see,
There will be no disbelief.
We can paint this town.

Paint this town. You and I
Everything will fall in line.
You and I
There will be no disbelief
You and I
Without you, there's no reason for my story
And when I'm with you I can always act the same
You and I
Forever, yeah if we're together
We can make it better
