

Right There With You

Anarbor

And I know how you feel
I'm right there with you
But baby won't you come on?
I'll show you how to have some fun
And honey this is gonna hurt
But I swear its worth the ride
And if not it's worth the high

Cause late at night
Wrong sounds more appealing than right
But sweet talk sweetie won't get the job done
Cause late at night
Wrong sounds more appealing than right
But sweet talk sweetie
Just a twist of the tongue

And there's secrets we keep
Locked up inside me
As if I spoke the truth
It'll rot out my teeth
And honey this is gonna hurt
But I swear its worth the ride
And if not its worth the high

Cause late at night
Wrong sounds more appealing than right
But sweet talk sweetie won't get the job done
Cause late at night
Wrong sounds more appealing than right
But sweet talk sweetie
Just a twist of the tongue

I dream of schemes and make you believe
I speak in lines of lies
I feel your thighs
And I'll be honest I haven't been honest
But you've been blind to see

Cause late at night
Wrong sounds more appealing than right
But sweet talk sweetie won't get the job done
Cause late at night wrong sounds more appealing than
right
But sweet talk sweetie won't get the job done
Cause late at night
Wrong sounds more appealing than right
But sweet talk sweetie
Just a twist of the tongue
Just sweet talk sweetie
Just a twist of the tongue
