

There's a thousand things
That I would like to say
But I don't really know how
I never tried to learn
When I was back at school
So I guess I'll never know now

You're shutting me down
It's a slow burn
Take it easy
Baby take your turn
Shutting me down
It's a slow burn
Take it easy

I don't wanna play
You're fucking up my day
But things have got to change
Cause I don't feel the same anymore
I try
It never feels the same
But things have got to change
Cause I don't feel the same anymore

I'd like to say I try
But all the things I do
Never seem to end right
Everything is fine
Until I speak my mind
Then it turns into a blow out

You're shutting me down
It's a slow burn
Take it easy
Baby take your turn
Shutting me down
It's a slow burn
Take it easy

I don't wanna play
You're fucking up my day
But things have got to change
Cause I don't feel the same anymore
I try
It never feels the same
Things have got to change
Cause I don't feel the same anymore

Cause I don't feel the same anymore
Yeah I don't feel the same anymore

You're shutting me down
It's a slow burn
Take it easy
Baby take your turn
Shutting me down
It's a slow burn

Just take it easy

I don't wanna play
You're fucking up my day
But things have got to change
Cause I don't feel the same anymore
And I try
It never feels the same
But things have got to change
Cause I don't feel the same anymore

Cause I don't feel the same anymore
No more
Yeah I don't feel the same anymore
