

Heavy On My Heart

Anastacia

C#mi B C#mi B C#mi B As

C#mi B C#mi B
Try to fly away but it's impossible

A As
And every breath I take gives birth to deeper sighs

A As C#mi B F#
And for a moment I am weak so it's hard for me to speak

A As C#mi B C#mi B
Even though we're underneath the same blue sky

C#mi B C#mi B
If I could paint a picture of this melody

A As
It would be a violin without it's strings

A As C#mi B F#mi
And the canvas in my mind sings the songs I left behind

A As
Like pretty flowers and a sunset

F#mi E B F#mi
It's heavy on my heart, I can't make it alone

E B F#mi
Heavy on my heart, I can't find my way home

E B D
Heavy on my heart, so come and free me

As
It's so heavy on my heart

C#mi B C#mi B
I've had my share of pleasure and I've tasted pain

A As
I never thought i would touch an angel's wing

A As
There's a journey in my eyes

C#mi B F#mi
It's getting hard for me to hide

A As
Like the ocean at the sunrise

F#mi C#mi
Love can you take me in the darkness?

A As C#mi B C#mi B
And love don't let me down

C#mi B
There's a journey in my eyes

C#mi B
It's getting hard for me to hide

A F#mi
And I never thought I'd touch an angel's wing
