Some might say I'm guilty of loving the first degree  
If the jury wants to lock me up and throw away the key  
There's no greater punishment than what I face inside  
Won't tamper with the evidence cause there's nothing to hide

(He lives inside my heart)  
(I'm in the middle too)  
I'm in the middle too  
(You never had a clue)  
Unless you felt it too

Better tell the truth, just let me plead my case  
The thief who stole my heart from me I couldn't let escape  
He's my only alibi, but I won't drop a dime  
So how can I give up to you, my partner in crime

(He lives inside) my heart
