

Cosmic Gateway to Infinity

Ancient Dome

After a decade of leading the way and ready for something to die for
The Argonauts fly counting the days, the extinction is at the gates of Time!
The ship trudges across its timeless journey
Supplies are scarce but the goal is near
Crew is out of mind and in fear
Praying to survive in that frozen atmosphere

Rising from the darkness of a war!
They represent the hope of a new world!

Cosmic Gateway To Infinity
Forget the sacred and profane
Cosmic Gateway To Infinity
Prepare the shadows of past to fall
Cosmic Gateway To Infinity
Forgive yourself all what you did
Cosmic Gateway To Infinity
Prepare yourself to a dome of inviolable iron walls!

Humans have placed in them techno gifts,
but the strategy is far from Jason's plan!
The route hides pitfalls and nobody knows
where the ship will finally land
The captain follows the coordinates of leaders,
the goal is still not at sight.
Maybe hope will die with the infinite search of a planet to colonize.

Rising from the darkness of a war!
They represent the hope of a new world!

Cosmic Gateway To Infinity
Forget the sacred and profane
Cosmic Gateway To Infinity
Prepare the shadows of past to fall
Cosmic Gateway To Infinity
Forgive yourself all what you did
Cosmic Gateway To Infinity
Prepare yourself to a dome of inviolable iron walls!

Fear the years you got before, you are blind!
Reflect on your sins while your tears become ice!

Rising from the darkness of a war!
They represent the hope of a new world!

Cosmic Gateway To Infinity
Forget the sacred and profane
Cosmic Gateway To Infinity
Prepare the shadows of past to fall
Cosmic Gateway To Infinity
Forgive yourself all what you did
Cosmic Gateway To Infinity
Prepare yourself to a dome of inviolable iron walls!
