

Another Time

Andragonia

Solo: Both

Another time to try again
To change the uncomplete past
To make the plans for our future days
Look at me, I'm ready to go
I'll follow the winds of hope
I'm sure I will be able to rise again

When the strenght's gone
And seems that all's lost
There's no way to reach the top (to reach the top)
If you're not ready to hurt yourself

I've never felt in my life this way
Know I'm gonna be alright
There's always another try (always another try)
I'm not afraid to lose my way
And if I won't find my way back home
I'll find it in another time (find it in another time)

Here we stand, times go too fast
We've been staring at the picture
from old times and we want to be there again,
When the doubt is so strong
Don't let the hope is gone,
Before the rising we've got to learn to fall
That's you can't deny!!!

There's no way to find your truth
If you're not ready enough to cry

I've never felt in my life this way
Know I'm gonna be alright
There's always another try (always another try)
I'm not afraid to lose my way
And if I won't find my way back home
I'll find it in another time (find it in another time).
