

Daiquiri Factory

Andre Nickatina

Daquiri factory where niggas look after me
Assault and battery
It's sort of a tragedy
Kickin it live right with killas suspended
Smokin weed in the kitchen they're so reluctant theyll listen

It's the daquiri factory where niggas look after me
Assault and battery
It's sort of a tragedy
Kickin it live right with killas suspended
Smokin weed in the kitchen they're so reluctant theyll listen

Can u picture the perfect rhyme, the perfect tone, the perfect pitch,
The perfect mind, the perfect crime, the perfect bitch,
Your so materialistic u make me wanna risk it
Hopin the pig don't pull me over with my new biscuit
I'm sorta twisted swervin to the next lie
I bet I'll beef and tangarae in my next life
Or a silverdad makin u picture that with all my cuzins
It's bullets made for the payback it's sorta slippery
Kinda like this treat is wet
But I'm a vet so let your tiger break a leg
With all the pain fed up with the dope game
That's y I still love all my tigers the same

It's the daquiri factory where niggas look after me
Assault and battery
It's sort of a tragedy
Kickin it live right with killas suspended
Smokin weed in the kitchen they're so reluctant theyll listen

It's the daquiri factory where niggas look after me
Assault and battery
It's sort of a tragedy
Kickin it live right with killas suspended
Smokin weed in the kitchen they're so reluctant theyll listen

Baby sed u look sad cheer up uh wuts your name
I sed it's andre uh I can't complain I love segas and ghetto basketball play
as
And I spit rap to all the legendary crack slangers
We kick it live buzzing like a beehive
And itll remain that way till we hit the sky
Like public enemy numba 1 cats come 2 my show
And say that oozy way a ton son u know the chemistry
Do u remember me and I'm your tiger from way back in 83
We ate ice cream and played hoop man we did all these things before the dday

It's the daquiri factory where niggas look after me
Assault and battery
It's sort of a tragedy
Kickin it live right with killas suspended
Smokin weed in the kitchen they're so reluctant theyll listen

It's the daquiri factory where niggas look after me
Assault and battery
It's sort of a tragedy

Kickin it live right with killas suspended
Smokin weed in the kitchen they're so reluctant theyll listen

It's the daquiri factory where niggas look after me
Assault and battery
It's sort of a tragedy
Kickin it live right with killas suspended
Smokin weed in the kitchen they're so reluctant theyll listen
