

Anonanimal

Andrew Bird

See a sea anemone, the enemy see a sea anemone
And that'll be the end of me
While the vicious fish was caught unawares
In the tenderest of tendrils
See a sea anemone, the enemy see a sea anemone
And that'll be the end of me, that'll be the end of me
While the vicious fish was caught unawares
In the tenderest of tendrils
Underneath her tender gills I will become this animal
Perfectly adapted to the music halls
Oh and I will become this animal
Anomalous appendages, anonanimal, anonanimal
Anonanimal, anonanimal
Anonanimal, anonanimal
Hold on just a second
Don't tell me this one you know
I know this one, I know this song
I know this one, I love this song
Hold on just a second
Don't tell me this one you know
I know this one, I know this song
I know this one, I love this song
I know this one
Underneath the stalactites
The troglodytes lost their sight, oh
The seemingly innocuous plecostomus though posthumous
They talk to us, they talk too much
See a sea anemone, the enemy see a sea anemone
That'll be the end of me, that'll be the end of me
Vicious fish was caught unawares
In the tenderest tendrils
Underneath her tender gills and I will become this animal
Perfectly adapted to a music hall
I will become this animal
Anomalous appendages, anonanimal, anonanimal
