## A Kiss Is A Terrible Thing To Waste

## **Andrew Lloyd Webber**

(ah, if only) (ah, if only)

If you listen to the night you can hear the darkness call I can barely stand to wait, I can't barely stand at all C'mon closer to me now like we're sharing the same skin We gotta get out of this jail, we gotta let the future in!

So many things in your life that you're bound to regret "Why di dn't I do that? Why didn't I do this?" So many chances you lost that you'll never forget "Why didn't I make it? Why didn't I take it right there?"

The loneliest words you'll ever know: "If only, if only it was so" The emptiest words that there'll ever be: "It could have be en me, it could have been me"

The loneliest words you'll ever know: "If only, if only it was so" The emptiest words that there'll ever be: "It could have be en me, it could have been me"

You'll have to pay for it later If you don't get it when it's going for free Believe me! Believe me!

A kiss is a terrible thing to waste A kiss is a terrible thing to waste It's something that's always been so A kiss is a terri ble thing to waste A kiss is a terrible thing to waste

And one of these nights you're gonna show me that you already k now There's a feast waiting for you and you never even gotten a taste It's later than you think And a kiss is a terrible thing to waste

You shouldn't tremble when we touch, there's no reason for thes e fears It's a promise that was made, we've been promised this for years I wanna show you it all: what to do, and where and ho w 'Cause we'll never be as young as we are right now! We'll never be as young as we are right now!

So many cries in the night that you try to ignore "Why didn't I do this? Why didn't I do that?" So many unanswered prayers, so many unopened doors "Why didn't I take it? Why didn't I make it come true?"

The loneliest words you'll ever know: "If only, if only it was so" The emptiest words that there'll ever be: "It could have be en me, it could have been me"

The loneliest words you'll ever know: "If only, if only it was

so" The emptiest words that there'll ever be: "It could have be en me, it could have been me"

You'll have to pay for it later If you don't get it when it's going for free Believe me! Believe me! Believe me!

A kiss is a terrible thing to waste A kiss is a terrible thing to waste It's something that's always been so A kiss is a terri ble thing to waste A kiss is a terrible thing to waste

And one of these nights I'm gonna show you that you already kno w There's a feast waiting for you and you never even gotten a t aste It's later than you think And a kiss is a terrible thing t o waste...

There's a feast waiting for you And you never even gotten a tas te It's later than you think And a kiss is a terrible thing to waste...

Tire tracks and broken hearts That's all we're leaving behind I t doesn't matter what we're losing It only matters what we're g oing to find!

There's a feast waiting for you and you never even gotten a tas te It's later than you think And a kiss is a terrible thing to waste (a kiss is a terrible thing to waste) A kiss is a terrible e thing to waste....
