

# The Perfect Year

Andrew Lloyd Webber

Bring out the old, bring in the new  
A midnight wish to share with you  
Your lips are warm, my head is light  
Were we alive before tonight?  
I don't need a crowded ballroom  
Everything I want is here  
If you're with me, next year will be  
The perfect year  
No need to hear the music play  
Our eyes say all there is to say  
The clock has struck  
The die is cast, let's take a chance  
Forget the past  
I don't need a crowded ballroom  
Everything I want is here  
If you're with me, next year will be  
The perfect year  
I don't need a crowded ballroom  
Everything I want is here  
If you're with me, next year will be  
The perfect year  
It's New Year's Eve, and hopes are high  
Dance one year in, kiss one good-bye  
Another chance, another start  
So many dreams to tease the heart  
We don't need a crowded ballroom  
Everything we want is here  
And face to face, we will embrace  
The perfect year  
We don't need a crowded ballroom  
Everything we want is here  
And face to face, w will embrace  
The perfect year
