

Forgiven

Andrew Rayel

I Called A Thousand Times
But My Words They Fall On Ears That Just Won't Hear
You Cut Me Open Why

Somehow I Survive
And Swallow All These Tears
But Time Cannot Erase It
How I Acted So Abrasive
I'll Never Know
Exactly Why But I Have
Mass Suspicions
But One Thing I Know
Is Love That's Supposed To Call On
With Conditions
But I Lost Control
I Have My Wounds Define My Rules
For Living
There's No More Words To Say
Just Hope Some Day I'll Be

Forgiven

There's No More Words To Say
Just Hope Some Day I'll Be
