

I'll Be There

Andrew Rayel

Reach out, reach out
I'm light beyond the dark
Don't be afraid now
You're safe inside my arms

If you trust me, I will take you farther than the shores
You're the ship and I'm the lighthouse
In the fog I'll find you where you are

I'll be there
I'll be there to catch you
And know that I'll be there
I'll be right beside you
Don't be afraid, just give it a try
And if you fall a million times
Oh, I'll be there
I'll be there to catch you
Yeah, I'll be there

Oh, I'll be there
I'll be there to catch you
Yeah, I'll be there
Oh, I'll be there

Sing out, sing out
So I can hear your song (I can hear your song)
Don't hold back now
The future's worth the fall

If you trust me, I will take you farther than the shores (farther than the shores)
You're the ship and I'm the lighthouse
In the fog I'll find you where you are

I'll be there
I'll be there to catch you
And know that I'll be there
I'll be right beside you
Don't be afraid, just give it a try
And if you fall a million times
Oh, I'll be there

I'll be there
I'll be there to catch you
And know that I'll be there
I'll be right beside you
Yeah, I'll be there
