

# Lighthouse

Andrew Rayel

I See Tonight  
Farther than I Ever Could  
I'm Here To Shine

This Little Light  
Is Stronger It Can Only Work  
Be Here To Guide

I'm Your Lighthouse Calling  
When You Lost Can't Find Your Way  
I'm Your Lighthouse Calling  
Again Again Again  
I'm Your Lighthouse Calling  
I'm Your Beacon In The Night  
And The Darkness Fall in  
We Shine

I'm Your Lighthouse Calling  
I'm Your Beacon in The Night  
And The Darkness Fall In  
We Shine

I'm Your Lighthouse Calling  
When You Lost Can't Find Your Way  
I'm Your Lighthouse Calling  
Again Again Again  
I'm Your Lighthouse Calling  
I'm Your Beacon In the Night  
And The Darkness Fall in  
We Shine

I'm Your Lighthouse Calling  
When You Lost Can't Find Your Way  
I'm Your Lighthouse Calling  
Again Again Again
