

A New Heaven

Android Lust

Is this a new kind of heaven
It's upto me

They say that heaven is right here right beside the lake
If you drink from it you will know the secret but you must be b
rave
I searched for years and years and many men fell on the way
Each step on this road to god leads me back to where I lay

Are we the ones
We're seeking under this sun

The say just let it go and let it be it'll fall in place
Watch yourself as you dive to the lows you know and the depths
you crave
Making love to my past has left me cold alone and grey
I've been knocking on the door of god let me in so long I praye

Are we the ones
We're seeking under this sun
Are we the ones
Dig see what's underground

Is this a new kind of heaven
Feeling my way I must be returning
