

Come Baby, Rock!

Andrzej Zaucha

Come baby, rock and roll,
why don't you sometimes have a ball?
Come baby, rock and roll,
get over blues just once for all.
Come join the happy crowd,
come have your fun out loud.

Come 'n join a groovy mix,
come 'n rock 'n roll for kicks.

Come baby rock and shake,
have real fun and not a fake.
Come baby, rock and shake,
why don't you give yourself a break?
Come join the happy crowd,
come have your fun out loud.

Come 'n join a groovy mix,
come 'n rock 'n roll for kicks.

It's rock 'n roll,
It's free for all.
You'll find it groovy
and have a ball.
Come babe, get movin'.
What are you provin'
stayin' home alone?

Come rock tonight
till broad daylight.
Come rock 'n roll 'n shake.
Come baby, give yourself a break.
