

# My Own Hero

Andy Grammer

Tell me, do I need to be my own hero?

Would you lay our life down?  
Would you give an arm or a leg?  
Are we gonna fight now,  
'Cause baby it's the world we're against?  
Is it our time now right now,  
Or is it just me in the end?  
Is our future bright now?  
Tell me is the dark seeping in  
Are we alright now,  
Or are we barely breathing again?  
Is it our time now, right now,  
Or is it just me in the end?

Will you come running when I scream your name?  
When the wolves are out hunting and they're coming for me  
Tell me, do I need to be my own hero?  
Will you come running? I need to know  
An army of two, or am I all alone?  
Tell me, do I need to be my own hero?

I don't know how I'm gonna do it  
But I'm gonna do it with or without you  
I don't know how I'm gonna do it  
But I'm gonna do it if it's the last thing I do  
Do I gotta save my own life, save my own life,  
For my whole life? Whoa  
Do I gotta find my own light, find my own light,  
For my whole life? Whoa

Will you come running when I scream your name?  
When the wolves are out hunting and they're coming for me  
Tell me, do I need to be my own hero?  
Will you come running? I need to know  
An army of two, or am I all alone?  
Tell me, do I need to be my own hero?

Would you lay our life down?  
Would you give an arm or a leg?  
Are we gonna fight now,  
'Cause baby it's the world we're against?  
Is it our time now right now,  
Or is it just me in the end?

Will you come running when I scream your name?  
When the wolves are out hunting and they're coming for me  
Tell me, do I need to be my own hero?  
Will you come running? I need to know  
An army of two, or am I all alone?  
Tell me, do I need to be my own hero?
