

## Do You Mind?

Andy Williams

Where do I begin?  
To tell the story of how great a love can be  
The sweet love story that is older than the sea  
The simple truth about the love she brings to me  
Where do I start?

With her first hello  
She gave a meaning to this empty world of mine  
There'd never be another love, another time  
She came into my life and made the living fine  
She fills my heart

She fills my heart with very special things  
With angels' songs, with wild imaginings  
She fills my soul with so much love  
That anywhere I go I'm never lonely  
With her around, who could be lonely?  
I reach for her hand  
It's always there

How long does it last?  
Can love be measured by the hours in a day?  
I have no answers now, but this much I can say  
I know I'll need her 'til the stars all burn away  
And she'll be there

How long does it last?  
Can love be measured by the hours in a day?  
I have no answers now, but this much I can say  
I know I'll need her 'til the stars all burn away
